

CGTTCAC

The logo consists of the letters C, G, T, T, C, A, and C arranged horizontally. Each letter is a stylized, rounded font. The top portion of each letter is teal, while the bottom portion is a darker blue. The letters are slightly offset from each other, creating a staggered effect. Below the letters, there are small, semi-transparent shadows: dark blue for the first two letters (C and G), teal for the next two (T and T), and light green for the last three (C, A, and C).
